An excellent apartment situated in a relatively new building on the Neimarska padina, near the Temple of St. Sava and Karadjordjev Park. The building has an elevator, a small yard and a garage in the basement where one parking space is at disposal, with no restrictions on the size of the car. The apartment has an excellent layout, the surface area is very well organized, without losing any space. It has a large living room interconnected with a kitchen and dining room, two bedrooms, a bathroom with a bathtub and a long hallway with a large American closet. The furniture is well preserved, modern, simple lines and colors. The apartment has two small terraces one of which is in the living room and other in the one of the bedrooms. Excellent location, pleasant ambience. Suitable for couple or family.
