Excellent apartment housed in a relatively new building in near vicinity of Arena. Very nice position, well connected to the city center, as well as with other parts of New Belgrade. Building is about ten years old, well maintained, it has an elevator, while the apartment is positioned in center of the block, so neither side is facing the street. The apartment consists of a comfortable living room with dining area and a separated kitchen. From there one can exit to a terrace. Second part of the apartment is sleeping block consisting of two bedrooms, one of which has a double bed, while the other has a couch and a desk. Two bathrooms are at disposal, one has a bathtub and the other a shower cabin. Modernly equipped interior, nicely maintained, with high quality carpentry, floors and interesting lighting, with suspended ceiling in the living room. There is one parking spot at disposal for the tenant in building's garage space, which has security. Ideal for a smaller family.
