Excellent apartment situated on a busy location. Positioned between the city center and the highway, in near vicinity of Slavija Square and the Train station. Excellent location from where one can easily reach every part of the city, close to many embassies and several public institutions. The apartment is housed on the second floor of a well maintained prewar building and has three side orientation. It has two entrances and two smaller hallways. It consists of a living room which represents the central room in the apartment and has an exit to a glassed in terrace. Excellent fully equipped kitchen is separated and also has a pantry and an exit to it's own terrace which is glassed in as well. There are two more spacious, comfortable rooms at disposal in the apartment, which are interconnected. One of the rooms has an exit to a terrace overlooking the street. In second part of the apartment there is a bathroom with a shower cabin and a separate toilet. The apartment has high quality parquet and woodwork, as well as brand new PVC carpentry. It is suitable to be a residence, but excellent choice for an office space as well.
