Quiet and peaceful street, close to American embassy and Royal palace. Very nice location, attractive for both work or living. Close vicinity of several embassies representatives. Ten minutes walking from busy square where is large supermarket opened non-stop. House is placed in a middle of a large plot, which is organized as beautiful park. It occupies three levels, which can function separately since they all have independent bathrooms and kitchens. Downstairs level has even own entrances and it consists out of anteroom, furnished kitchen, one large room, bathroom and heating room. Second level is like three-bedroom apartment with living area and furnished kitchen, two smaller and one large bedroom, bathroom and terrace. Loft is under beams and it has again living room, dining area with furnished kitchen, bathroom with shower cabin and one more bedroom. House is built as prewar villa with large wooden staircase, main entrance and two more side entrances. Suitable for families with children, since part provides great freedom for playing.
