Apartment on the first floor of a newer building in one of the most beautiful streets in Senjak. It is situated within walking distance of most international schools and preschools. The store and the green-market, as well as the connection to the highway, are at about 10 minutes walking distance. A building with a nice exterior, without an elevator, slightly secluded from the main street and suitable for family living. The apartment is housed on the first floor and has two levels. In the first part, there is a spacious living room connected with a dining room, a separate kitchen and a guest toilet. The living room has access to two terraces, and next to it is a small study. The staircase next to the entrance leads to the first floor where are three bedrooms and three bathrooms. Two rooms are equipped with double beds and have access to their own bathroom and terrace. Fully equipped interior, as well as kitchen and bathrooms. One parking space in the garage is also at disposal. An excellent choice for a family life.
