This exceptional home is located in the most beautiful part of Bežanijska kosa, in a quiet environment. Vicinity to the highway provides easy access to all parts of the city. Within an easy reach there is a sports center with plenty of amenities for recreation, park, primary school, nursery and health center. Several lines of public transport links with the rest of the city. This is a terraced house; occupies 4 levels and has been completely renovated 2013th year. The ground floor housed a spacious, open living-dining area, kitchen modern design, equipped with all needed appliances, and a small restroom. On the first floor there are two spacious bedrooms, a bathroom and a terrace with a beautiful view of New Belgrade. The second floor is one large room and bathroom. Fully arranged for living is also a basement level, with a daily part and an equipped kitchen. There is also another bathroom. This level can be accessed directly from the garden. The interior of the house is a luxurious build; flooring is a large format, excellent interior and exterior woodwork, ceramics in the bathrooms of superior design and quality. Modern lighting with a lot of luminaries in all rooms, provides a special atmosphere all over the place. The yard is partially paved and decorated with low vegetation and grass, very pleasant to stay. Opposite the house is a parking space for several vehicles. Very comfortable house, a functional term structure, designed for comfortable living, separated from the hustle and bustle.
