This nice, renovated apartment is located in small peaceful street, in city center. It is next to the pedestrian zone, and across Kalemegdan fort. Easy accessible and convenient for people who take active part in city life, without need for using car. Street is narrow, so there are not much natural light. Building is post-war construction and it needs renovation. Despite that, this rental is fully renovated, modern, furnished in minimalistic style. White colour dominates the space, so there are white floors as well as pieces of furniture. Interior is reduced, and it gives possibility for enrichment with personal details. Suitable for young single people or couples.
