Property located in residential part of the city, in a quiet street with mostly family houses and new residential buildings. The house itself has four levels. High ground floor, I and II floor have exactly the same structure - three rooms/offices and a bathroom. Ground floor features a kitchen and three more rooms. This floor is in level with the backyard which occupies around 2 acres. House also has a garage space, as well as three more parking spaces. Property is suitable for companies which are looking for privacy and quiet working environment.
