The apartment is on an excellent location, in a quiet street in the city center. At only ten minute walking distance from the pedestrian zone and the Republic square. There is also Kalemegdan park and many city traffic lines in near surroundings. The building is newer with well maintained entrance and the apartment is oriented toward the backyard. It is quite bright and represents the perfect example of well organised and functional space considering its size. The apartment consists of perfectly equipped and comfortable living room with large windows and it has direct exit to a nicely decorated sunny terrace. Smaller but functional kitchen with a dishwasher is separated, but also has connection with the living room through a semi-opened bar. Bedroom is equipped with built-in closets and a double size bed and has exit to the same terrace as the living room. Spacious bathroom with a shower cabin represents ideal place for relaxation. Entrance hallway is also equipped with some built-in closets. This apartment is very modern looking and pastel colors are dominating throughout the interior. It is suitable for one person, but it can also be for a couple.
