Business premises placed in an office building on an excellent location, with good traffic connection to all parts of the city, highway and airport. Newly built building, according to contemporary construction solutions, also providing technical conditions which modern business practise demands. Additional equipment includes air-conditioning (VRT Mitsubishi system), low-emission lighting, a number of telephone lines, fast internet connection, video surveillance, fire protection, professional security and facility maintenance. Space is divided into five offices with removable partitions. It is abundant with daylight, has modern interior and mutual restrooms. Excellent for all kinds of business activities.
