Office premises placed in the heart of Vračar, in one of the smaller and quieter streets. This location is rich with numerous stores, a couple of public institutions and has good connection to the rest of the city. This is a business-residential building, with a security service at the entrance. Space has two entrances. It is divided into two wholes, each consisting of a large open space and one separate office. There is also a fully equipped kitchen, four restrooms, a server room and three terraces at disposal. Space is housed on the first floor, has two side orientation and air-conditioning. It has optical cable and a computer network. There is a possibility to rent more parking spaces, which are available in building's underground level.
