The apartment housed in the city center within walking distance from Botanical garden and the Republic square. It is housed on the third floor of a prewar building, placed in a busy street. It spreads over two levels. The apartment has been fully renovated and equipped with new, high quality furniture in combination of modern and classic design. It has slightly slanted ceilings on the second level, supported with wooden beams, which contribute to the homey atmosphere. Living room occupies the central part of the apartment, while dining room and a kitchen are partially separated. Two bedrooms are placed on this level, one smaller study room, as well as a bathroom with a shower cabin and a restroom. The apartment has central heating and two air-conditioners.
