Warehouse is located around one km from highway and traffic by-pass. Access road is paved, which provides undisturbed access for heavy trucks. There is large plot around building, which enables manipulation for trucks, but also large parking for vehicles. Warehouse has around 1.000 m² with ceiling height from 6 to 8 m, which enables palet storage. Building has several entrances and it is possible to enter storage with truck. First floor is reserved for offices, total 200 m² with six offices, toilets and kitchen. Additional benefit is economic heating solved with help of heating pumps.
