Duplex apartment located in a quiet street, in the immediate vicinity of the church on Vozdovac, not far from the street of Vojvode Stepe and the boulevard. The apartment is in form of a small semi-detached house, tucked in the greenery of the yard. It has a driveway, with a parking space, which is tiled and leads directly to the open-air garden. The apartment has two levels, ground floor and a loft, which has slanted ceilings, not disturbing the functionality of space. Ground floor level is an open space, which consists of living room on the one side, and kitchen with dining area on the other. Central staircase leads to the loft with a bedroom and a large bathroom with a shower cabin. Velux rooftop windows provide a wonderful view over the greenery of the courtyard and the sky. Extremely comfortable interior of bright colors, modern lines, which make this apartment a small oasis of peace in the good location of Vozdovac. Highly suitable for one person or a couple, because it gives a pleasant and warm atmosphere, and is unique due to its beautiful yard.
