Rural household in Bogutovacka Banja, within 20 km distance from Kraljevo. The house is fully equipped. Plot occupies 30 acres of land, with an exceptionally decorated yard, where the pool is in front of the house, while an orchard is behind the house. The house consists of two levels which have the same layout. On each floor there is a living room, dining room, kitchen, three bedrooms and a bathroom. One bathroom is with bathtub, and the other with a shower cabin. From each room there is an exit to a terrace. The house is suitable for renting for guests during the season, as well as for dealing with rural tourism. Bogutovacka Banja has a moderate-continental climate and is located at 520 meters above sea level. It is located on the humid slopes of Mount Troglav with untouched environment and mineral water sources.
