This exclusive apartment is housed within the most modern building complex in Belgrade, called Belgrade waterfront, close to the river and variety of commercial content. City center is at walking distance from this location, while New Belgrade and rest of the city are well connected with this location as well. Complex is still under construction, while the project is managed according to highest architectural standards. The apartment is placed in one of the towers surrounded by greenery and parks. It is housed on the seventeen floor, and it consists of a living room interconnected with dining area and a kitchen, three bedrooms, two bathrooms and a toilet. Living room has an exit to two beautiful terraces overlooking the river and New Belgrade. A hallway separate sleeping block from rest of the apartment, and contains three bedrooms, one of which is master bedroom with a wardrobe and bathroom with a bathtub. Other two bedrooms share second bathroom with a shower cabin. The apartment is equipped with kitchen elements, closets and bathroom elements as well. Ceiling height is above average, while large window surfaces provide plenty of natural light, and fabulous view. The apartments have central air conditioning and heating per consumption. Within the complex there are garages, as well as sports facilities, such as swimming pool and gym. One parking place for two vehicles is at disposal. Extremely pleasant ambience, modern lines and abundance of light are characteristics of this apartment. Suitable for modern family.
