Excellent apartment, located in a quiet street on Vracar in near vicinity of St. Sava temple. It is housed on the first floor of a relatively new, well maintained building. A quiet part of the city with plenty of new buildings and excellent content in the neighborhood - numerous stores, restaurants, coffee shops and Kalenic green market. Highway inclusion is within only five minute driving distance, while streets with public transport stations are at five to ten minutes walking distance. The apartment consists of an entrance hallway, a spacious living room connected to a kitchen, as well as a restroom. Second part of the apartment has two more rooms, each with an exit to a terrace, as well as a bathroom with a bathtub. The apartment is abundant with natural light, two side oriented, overlooking the street on the one side and building's yard on the other. High quality interior and functional structure. Ideal for office space.
