Detached house, located on 5 acre plot, next to Jajinci park, not far from the main road, within about 20 minute driving distance from the city center. Residential area with family houses, in vicinity of a grocery store and public transport stop. House has three levels and it is positioned within about 10m distance from the street, with a maintained parking area in front of it and outer staircase for first floor and loft. First level has a central entrance hallway, which leads into each room. It consists of a living room connected with dining area and a kitchen, as well as two bedrooms with a bathroom in between. Living room and one of the bedrooms have access to a porch, which further leads to the backyard covered in lawn. Outer staircase leads to the first floor with same layout, and from there inner staircase leads to the loft, which consists of two rooms and a bathroom, with slanted ceiling. Floors in the entire house are covered with high quality ceramics, with floor heating. Functional new property suitable both for residential and business purposes.
