Very good, renovated apartment located in the heart of Vračar, within only a few minute walking distance from Kalenic green market on the one side and Bulevar kralja Aleksandra on the other. Location ideal for comfortable life and work with plenty of commercial content in immediate vicinity. One of the benefits of the property is excellent connection to the rest of the city. The apartment is housed on the high ground floor of an older well maintained building. Excellent room layout and access to a garden are advantages. It features a living room, a separated kitchen, bathroom, two bedrooms which are facing the street, one smaller room, as well as a terrace which has access to the garden. Property suitable for a quiet business activity or residential unit for a couple or a family.
