An excellent apartment, located in the attic of a pre-war building, in the very city center, near Knez Mihailova street and Toplicin venac. Great location for anyone who wants to be at the heart of city events. It is housed on the third floor of a building without an elevator. It consists of an anteroom, a spacious living room, two large rooms and another small room, a bathroom and a separate kitchen. The space has been completely renovated, with quality built-in elements, lighting, ceramics and new windows. Suitable for both residential and business purposes.
