This exclusive villa is located on a separate, and landscaped plot of 10 ares, with tall overgrown greenery, and direct entrance from the street. The property is equipped with an automatic entrance gate and video surveillance 24/7. The villa has been completely renovated and covers a total area of 450 m², on four levels - ground floor, first floor, attic and basement. The ground floor consists of a living-dining area, where is a huge functional wood-burning fireplace, a study, a kitchen and a toilet, all of which are connected by a corridor. On the first floor there are bedrooms with bathrooms, while the attic is designed as a completely open space, with a bathroom and a large roof terrace with a 360-degree view of the entire city and Avala. In the basement are a wine cellar, a billiard room, a gym and a dining room. All equipment in the house is new, parquet and tiles of the highest quality materials, there are 5 inverter air conditioners. The villa is suitable for living, residences, as well as for business premises, representative offices, etc....
