An excellent apartment situated in well maintained building, which is placed at the corner of one busy and one quiet street. Well organized traffic connect this location with rest to the city. In the near vicinity are lines of public transport, park, and numerous shops. The apartment is housed on the first floor in the building without an elevator. It consists of an anteroom which is a living room as well and leads to all rooms: two bedrooms, bathroom with shower, kitchen with pantry, and separate dining room. The apartment is two-side oriented, with pvc windows, and air-conditioner. This very bright apartment has functional layout, what makes it suitable both for residential or business purposes.
