House is located in peaceful street on Zvezdara, in close vicinity to Zvezdarska forest, and several public transport lines, which enables you to get to the center in approximately 15 minutes. Semi-detached house with own yard, and lot of greenery. House occupies two levels. Ground floor has spacious living room with dining area, separated kitchen and terrace viewing onto yard. On the upper floor are four bedrooms, bathroom with bathtub and bidet, and terrace. Furniture is combination of classical and antique pieces, with plenty of details. Special comfort in living room gives fireplace, embedded into partition wall, and with facade brick original colour. Rooms are spacious too and two of them have double beds. Quite convenient for families with children.
