Beautiful apartment close to city center, near Botanical Garden, Palilula green market and several busy boulevards. It is only 5 minutes from numerous public transport stations, and it only takes about 20 minutes to walk to the city center itself. The apartment is located in an older, well-maintained building, on the first floor. It is two side oriented and consists of a large living room with a dining area, a separate kitchen, two bedrooms and a bathroom with a shower cabin. The living room has access to a terrace with a view of the greenery. Completely renovated and equipped with new furniture. In the living room there is a corner sofa, a smaller bedroom is equipped with a single bed, while the larger one has a double bed, a closet and a desk. A comfortable apartment in a good location, suitable for one person or a couple.
