Interesting apartment in the loft of a smaller residential building in Profesorska kolonija area. At the corner of two streets, with a beautiful view of the city. The building is pre-war, without an elevator, while the apartment is on the fourth floor. It is structurally divided into two rooms, very charming and bright. Living room has access to a terrace, very pleasant for sitting, facing west. Bedroom has significantly slanted ceiling with skylights, equipped with a double bed. Very pleasant interior, air-conditioned, furnished with taste. Suitable for those who want to be in a peaceful environment, but within walking distance from the city center.
