Nice apartment situated at few minutes walking distance from Autokomanda roundabout. Location is excellently connected with all parts of the city. The apartment is situated on the first floor of new building with video surveillance and an elevator. Large living room is interconnected with a dining room with the access to a terrace overlooking the street. Next to this area is modern, fully equipped kitchen with built-in appliances. The private part of the apartment consists of hallway, three bedrooms, one of which is master bedroom with bathroom of its own. One more bathroom with shower cabin and a toilet are at disposal as well. Interior is modern with high quality furniture. One parking space is reserved for a future tenant in the buildings garage. Ideal for family people.
