The completely renovated house is located in a quiet part of Bežanijska Kosa, near the pump. It is situated in a row of houses with a similar design. The neighbourhood is well connected to all parts of the city. The house consists of four levels and a small courtyard. The basement is equipped with wardrobes, the high ground floor consists of a hallway, fully equipped kitchen, a spacious dining room, a living room and a toilet. The first and second floor have the same layout and each have two bedrooms, a bathroom and a terrace. The house is unfurnished and can be rented out as a business space or furnished for a comfortable life.
