Excellent apartment in a new building near the Vuk monument. A quiet street that is near a busy boulevard, close to public transport stations, Djeram and Kalenić green-markets. A secluded location from which you can reach the city center in just 20 minutes' walk. The apartment is housed on the fifth floor, oriented towards Zvezdara forest, therefore very bright. Functional structure and modern interior are a good choice for family life. The entrance hall leads to the living room, which form one unit with the dining room, and further to the terrace with a view of the city center. The kitchen is separate and equipped with top quality elements and appliances. There are also three bedrooms, two bathrooms and a toilet. The apartment is furnished with new, modern furniture, without many details, in order for the future tenant to give his personal touch to the ambience. One parking space is at disposal in the basement of the building, which can be reached by car lift. An excellent choice for the life of a modern family.
