Attractive office space in the very center of the city, in the immediate vicinity of the pedestrian zone of Kneza Mihaila Street. A prestigious address in the old city center. The space occupies an entire floor. It is divided by glass partitions and designed as a central open space with offices around it. Several toilets, male and female with several cubicles each. Industrial interior design has brought a contemporary spirit to this space, which was built in the 1960s, which offers about 300 m<sup>2</sup> of modern office space. It is suitable for a wide variety of business activities.
