An excellent apartment in the heart of Vracar, in the immediate vicinity of the Temple of St. Sava. A quiet street that leads to the Library plateau on one side, and on the other side to the busy area near the Kalenic green-market and the public transport stop. There is also a highway connection nearby, so this part is well connected to all parts of the city. The building is relatively new, of very high-quality construction, excellently maintained. The apartment is housed on the third floor and is two-side oriented. It consists of a hallway, a living room with a dining room, a separate kitchen, a toilet, and a bedroom. The living room has an access to a terrace with a view of the beautifully landscaped yard. The kitchen is equipped with cupboards and appliances. The sleeping area has three bedrooms and two bathrooms, one of which belongs to the main room, which also has a wardrobe. The apartment is air-conditioned, decorated, in warm colors. Fully equipped with modern and classic furniture. Bright and comfortable, ideal for a family. One parking space in the garage is also at disposal.
