Nice apartment, situated near the Manjez park, in a location that is well connected to all parts of the city. The building is from pre war period and the apartment is housed on the third floor. The space has been completely renovated and consists of a large hallway which leads to four rooms in total. Bathroom with shower cabin and kitchen are equipped. There is parquet on the floor, the space is air-conditioned, it has tiled stoves for heating, so the bills are low when it is not the heating season. Ideal for business premises but also for comfortable life.
