Excellent, new apartment, situated on the ground floor of a new house in Miljakovac 3. The newly built settlement, surrounded by forest and greenery, is an ideal opportunity to live in harmony with nature, but in the city. The apartment has a separate entrance and two parking spaces in front. Two bedrooms and a living room interconnected with a kitchen and dining room, as well as a nice bathroom with a shower cabin are at disposal. The apartment was finished and furnished recently. Currently semi-furnished, but the furniture can be added as needed. Low monthly costs. An excellent choice for a family.
