A nice house situated in a quiet part of Dedinje, near the Topciderska zvezda roundabout. A settlement with residential houses. The house stands alone on a plot of 700 m² with a summer house and a brick garage. The house spreads over three levels. The upper ground floor consists of comfortable central room and another one connected to it, as well as a kitchen with a dining area and a bathroom. This part, leads to the basement, and further to the yard. Three rooms are on the first floor, one of which has access to the terrace. Another bathroom is on this level as well. The last floor consists of a laundry room and a room with slopes in one part. The interior is equipped with antique furniture, well maintained, clean and tidy. It can be rented out for comfortable life, but also without furniture for business premises.
