The apartment is housed on the sixth floor of the building in the immediate vicinity of the Klinical center hospital. The building is decent and well maintained, the elevator goes to the fifth floor. Functional structure, classic layout, two-side orientation. A separate bedroom with a double bed and a large closet, with a view of the Sky line. The living room is connected to the dining room, while next to it is a separate kitchen. The comfortable, glassed-in terrace is accessed from the living room. The apartment is bright and has open view. The interior of the apartment is well preserved, as well as the furniture which is a combination of new and old style. Suitable for a couple.
