Excellent, renovated apartment in Profesorska kolonija. Quiet street and neighborhood with lots of greenery. The building is well maintained, with an elevator. About 10 minutes' drive from the city center. It is double oriented and very bright. There are two rooms, a separate kitchen with a dining area, two terraces and a bathroom. There is also a small storage room. The interior is renovated with high quality materials, and the layout is very functional, without walk-through rooms. The blinds are remote controlled, and optical cables have been installed. It is suitable both for residential and for quieter business activities.
