An excellent space with an asphalted lot, positioned next to the highway to Pančevo, in the immediate vicinity of the ring road for Pupinov bridge and Zemun. The building is of solid construction with terrazzo tiles on the floor. It is situated within the complex with total surface of 525 m². It spreads over two levels that are connected by stairs and a freight elevator. Two toilets on each level, while the ceiling height of each level is 5 meters. Driveway for tow trucks, truck door. The lot is large enough to provide space for parking or unloading goods.
