The apartment is located in the most beautiful position in Senjak, at the top of the Topcider hill, with a beautiful view of Kosutnjak. A zone of family construction with an exceptional micro-climate, lots of greenery and clean air. A special advantage is the proximity of international schools. The apartment comprises the upper ground floor of a pre-war villa, with a living room, circular layout. It has four very spacious rooms. The kitchen is comfortable, newly equipped, has a dining room and a small pantry. The bathroom is new, with a bathtub and a separate toilet. The space is semi-furnished, and it can be unfurnished. A quiet, comfortable and pleasant space, suitable for family life or quiet office work.
